

SELECTBOARD MEETING OF JULY 18, 2018

Members Present: Eric Dodge, Brian Kellogg, Judy Bickford & Chris Towne.

Department Heads: Dan Lindley, Town Administrator

Brian Kellogg called the Selectboard meeting to order at 5:00 PM at Miller Bridge Rd.

I. AGENDA CHANGES OR ADDITIONS

1. None

II. ROAD SITE HEARINGS

1. **MILLER BRIDGE ROAD-** Select board met at Miller Bridge Rd. to discuss the discontinuance of a portion or all of the road. This is a result of the bypass completion. The original agreement with previous owner of the property want the Town to keep a portion of the Road. Current owner is ok either way. The Selectboard discussed that there was no reason to keep any portion of the road and would like to discontinue the whole road. There is no outlet to Rt. 100 anymore.

Selectboard recessed at Miller Bridge and reconvened at Stowe Rd. Mobil

2. **LAPORTE ROAD-** Representatives of R.L. Vallee were present.

This is an acceptance and classification due to the completion of the bypass. This would be reclassified as a Class I Highway and become a Town Rd. from the Traffic light to Jersey Heights.

Selectboard recessed at Stowe Road Mobil and reconvened at VFW

3. **VFW STREET-** Request to discontinue a portion (approximately 120 feet) of VFW Street. The VFW had made a request to build a deck off the corner of the building which interfered with a portion of the Rd. The original road actually goes through the building.

Selectboard recessed at VFW Street and reconvened at Westside Court

4. **WESTSIDE COURT-** This is an acceptance and classification due to the completion of the bypass. This would be reclassified as a Village Street.

Selectboard recessed at Westside Court and reconvened at Old Creamery Rd.

OLD CREAMERY ROAD- Donnie Blake, Gary Nolan, Howard Manosh were present. This is an acceptance and classification due to the completion of the bypass. Donnie Blake wanted to be sure that he would still have access to maintain his building and a place to dump snow from his parking lot since he no longer has a place since the bypass has been constructed. The Town currently plows the road and has been since the bypass was built 5 years ago. Howard Manosh owns a portion of the road from Fairfield's to Lost Nation. He is willing to have the Town take over that portion as well. This would need to be warned for a separate hearing.
