I. NEW BUSINESS

1. Discuss Purchase of a Used Front End Loader- Pete's repair has a 2007 Frontend loader they would like to offer to the Town for a purchase price of \$102,000. Selectboard discussed the pros & cons of purchasing a used front end loader vs. a new one. The used loader only has 1000 hours on it, which is relatively low for a 2007. It breaks down to about 10 months of use.

Motion made by Bob Beeman, seconded by Todd Yando to purchase 2007 Terex front end loader for the purchase price of \$102,000. Motion approved. (3/0)
