Meeting Minutes of Tuesday 23 September 2022

Council Members present:, Elizabeth Casparian, Joshua Goldstein, & Graham Mink

Council Members absent: Selectboard Member Jess Graham

Guests present: Susan Titterton

Staff: Planning Director Todd Thomas

Call to Order: The meeting was called to order under the tent of the adjacent to the clubhouse at Copley Country Club at approximately 4:05 P.M.

Discuss: Committee Parking Report – The Parking Committee discussed the first draft of its final report, as written to the Selectboard. Committee Members requested that Mr. Thomas make various changes to the report, including emphasizing the already approved but unconstructed parking improvements at Lower Main St and in front of the Noyes House Museum, and the need for the Town to better management its existing parking resources (including hourly parking limitations, signage, and mapping). Susan Titterton asked the Committee to soften language about ample parking availability in the Copley Municipal Parking Lot during the lunchtime hours, and the Committee agreed. To close the meeting, the Committee agreed to review its report to the Selectboard one last time in September before it was submitted for budget season considerations. This final work product review will take place at the next Parking Committee Meeting, from 4PM to 5PM at Copley Country Club on Tuesday September 13th.

The meeting adjourned at 5:00 PM, submitted by Todd Thomas, Planning Director
