

Morristown Conservation Commission

September 19, 2013

Meeting opened at 6:30

Members attending: Ron Stancliff, Richard Sargent, Jim Pease

Absent: Steve Rae, Brent Teillion , Joanne Barney

Member Reports: Ron reported about attending a meeting in Johnson concerning the invasive species, Emerald Ash Borer. It is the intent to establish a County plan on how to deal with this invader when it arrives in Vermont / Lamoille County.

Jim brought in a map of the Morristown Forest and possible trail locations discussed.

Clark Park is at a standstill as yet due to Trustees not having assigned a lease to the Town.

Morristown Forest to be discussed at a later meeting when all members are present and the consulting forester, Fran Slaydk.

Meeting adjourned at 7:30 pm

Submitted by Ron Stancliff due to loss of original notes.
