

Morristown Conservation Commission

August 19, 2020

Attendees: Ron Stancliff, Brent Tellion, Dave Stevens, Richard Sargent, Kristen Connelly

Meeting opened 6:30

Old Business:

Morristown Forest Trails Construction Report

Trails are reported to be in good shape with mapping and signage in place. Brent mowed the upper Beaver Meadow parking area. Trails seem to be getting some early use. The wet areas will need to be addressed soon.

Bugby Springs

Survey work has begun. This work will continue in the fall.

Valcour Lands

Stowe Land Trust has begun fundraising \$10k for the conservation of this parcel.

Stowe Land Trust Annual Meeting will be held remotely but is still planning on a visit to Joe's Pond on September 13th.

New Business:

Bylaws were reviewed

Ron drafted a proposal, on behalf of MCC, supporting a re-zoning of the Elmore Mountain Foothills to 10 acre minimum lots.

Morristown Forest Trails Event

All materials and advertising for the event have been organized. It will be Saturday August 21st at 10am. Reviewed agenda.

Meeting adjourned 7:46pm

Respectfully submitted, Kristen Connelly
