A special meeting of the Morristown Board of Adjustment was called to order by Acting Chair Ralph Wiltshire at 7:05 p.m. at Rose Lambert's home after a request from the Zoning Administrator Gloria Wing that the Town of Morristown be permitted to give additional testimony on its application for an Expansion of a Non-Conforming Use of the Duhamel Gravel Pit. The first public hearing was held on July 10, 1991. (See Minutes for details.)

Theresa made the motion to reconsider hearing testimony on the Duhamel Gravel Pit application; Rose seconded. Discussion ensued. Ralph called the question. Unanimously approved. Meeting will continue on July 24, 1991 at 8:00 p.m.

This meeting was adjourned at 7:25 p.m.

Respectfully submitted,
