

April 18, 2018

Morristown Conservation Commission

Attendance: all members were attending

Meeting opened at 6:30 pm

March 2018 Meeting minutes were approved.

Old Business

- (1) No news on Trails grant or from UVM Archaeology Department.

Brent suggested meeting with VYCC (Jennifer) after the snow melts and the stream level is lower. Probably mid-May.

- (2) Sue Morse Lecture is Tuesday April 24 lecture at PA Auditorium at 6:30 pm. Dick has 29 posters put up. There is a press release with the N&C. On Thursday April 19 there will be conversation on WLVB with Sue Morse. Kristin will post the event on FPF, Town web page and Facebook.

- (3) The Haydens are interested in giving a presentation on "Farming and Gardening on the Wild Side". June would be the best month. The cost would be around \$250 + travel expenses. A week day would be best. Kristin will check and see if the Library is available for use.

New Business

- (1) Greenup: the map and sign are at the Town Office. We are still waiting for bags from VTrans. Ron will let WLVB know. Brent talked with Dan L. The Town will cover the dumpster and a dumpster for local tires picked up as well as for people who want to pay the standard tire disposal fee. Doug will arrange cones for dumpster drop. Kristin has tent. We will also do a bottle drive for the Soccer trip. Trish and Sarah will handle that. Brent will drop off the banner at W&L. Brent wrote letters to Price Chopper and Dunkin Donuts. A Press Release went to N&C. Kristin will post on FPF.
- (2) Town Forest Lamoille Fish and Game volunteers: Brent talked to Dean Shed of LVFG. They are interested in doing some volunteer work in the town. Bren suggested work trips/tasks in the TF. He has not heard back from Dean. Fran Sladyk will help also. Ron is interested in taking his tractor up and removing trees in the cellar hole areas.

Meeting adjourned at 7:30 pm

Respectively submitted,

Jim Pease, Secretary
