**Minutes of March 16, 2004**

Members Present: Bill Henchy, John Meyer, Kelly Rogers, Sam Guy, Bruce Tomlinson, Bill Bourne

Recorder: Mark Leonard, Zoning Administrator (ZA)

Attendees: Richard Duda, Robert Houle

Bill Henchy called the meeting to order at 7:05 PM. Minutes of February 3 and February 17 were reviewed and approved.

Richard Duda and Robert Houle separately addressed the commission regarding their interest in serving on the commission. A decision on a recommendation was deferred until a third candidate could be interviewed.

The ZA updated the Commission on plans for a joint Select Board/Village Trustees public hearing on the proposed bylaw changes. The public hearing is scheduled for April 26, 2004.

The ZA provided information on several upcoming events regarding town and county planning activities and general information for commission members. The need to establish a clearer agenda for the coming months was discussed. Inputs from the Conservation Commission (regarding possible zoning district changes in the western areas of town), Select Board and Village Trustees (on sewer capacity allocation), and the results of current access management studies on Routes 15 and 100 will provide some necessary information for the Commission's consideration.

On a motion by Bruce, seconded by Bill Bourne, the meeting was adjourned at 8:15PM.

Respectfully submitted,

Mark Leonard, recorder
